Notes/general information:

- Once completed, please email this Form as an attachment to jane@craftfolk.com
- Please note that whilst we are planning to run the events listed, they all come with the caveat "Subject to Contract" and "Subject to any possible Covid regulations current at the time of the event". This may mean that some events, depending on the Welsh Government and Cardiff Council, will not be viable to run or that we have been advised by the various authorities that we/they cannot run them.
- Please indicate in each box the Application Form/s you require.
- All requested forms will then be sent to you by email, together with our standard compulsory paperwork.
- We would encourage you to read our Event Information on the Take Part page of our website, regarding our standard procedures even if you are familiar with our events, as we do make changes from time to time.
- Requesting our Application Forms is not a commitment to participate from either party but they will give you the individual stall rentals and more information on the event itself.
- Taster, Demonstration and Part Period stalls are available at our discretion at some of our events, as indicated below.
- Craftfolk steward/s will be present at our events.
- Security will be operating at our events and stock may be left overnight, at your own risk.
- Electricity is not available at some of our events as indicated below.
- We will not be running the Fringe event this year, alongside Cardiff Food and Drink, due to some ongoing uncertainty with the use of Landsea Square.
- The Caerphilly Cheese event will not take place this year as Caerphilly Castle is undergoing development work and access through the castle will not be available for the event.
